Headteacher Awards Awarded Friday 5th June

Reception Class

This week in Reception, the first award went to Ollie. He had a great PE lesson on Friday where he showed super teamwork, he listened well to the instructions and had great patience with his peers. Well done, Ollie!

The next award went to Astrid for the plan of her new story. She has a super imagination, but her plan also has a clear story structure. Well done, Astrid.

Year 1

Ryder, for being one of the most helpful and kind children in our class. He is willing to help anyone at any time and always does things with a smile. Trixie, for having an amazing flare whatever subject she is doing especially her Art lessons. Her drawings are neat and coloured beautifully and she is always trying her best.

Year 2

Rowan is always an excellent role model for our class. He works consistently hard and tries his best in everything he does. I have been really impressed with his level of writing and I'm excited to see his next story that he will be writing. Rowan has an amazing attitude to learning and behaviour and it is great to see just how much he loves learning and school.

Tyler has impressed me this week with his writing. Not only did he get a special 'Great Writing' pencil, but he has also been trying incredibly hard to achieve his writing targets. I look forward to reading his independent story next week. Well done, Tyler.

Year 3

Headteacher awards last week went to Harry and Amber. Harry and Amber always follow all the school rules and give 100% in all their learning. They listened well and remain focussed during all lessons. They both had a great week in all lessons especially Maths where they displayed a great knowledge of telling the time. Well done to both!

Year 4

Brendon, for working extremely hard on his times tables, consistently giving his very best effort and showing great determination.

It's fantastic to see him taking the initiative to practise at home, which is really helping to build his confidence and accuracy.

Harley, for showing excellent engagement in Geography lessons and approaches his learning with enthusiasm. He is doing a great job of applying key vocabulary in his writing.

Year 5

Riley Q, for always being on task and supporting his peers as well as adults this week. Well done - keep up the good work.

Florence, for putting a lot of effort into her Maths work this week and showing a positive attitude to her learning.

Year 6

Harley and Ashton for super evaluating, planning and designing of a micro bit case and super use of technology vocabulary. Well done!

Outside Activities

Thank you, Olive, for sharing your activity outside of school. Every Sunday, Olive goes to the Par running track to take part in parkrun. She told us that it's free for all age groups, and she really enjoys running. What a fantastic way to stay active.
Well done, Olive!

Do you have an activity outside of school that you would like to share?

Please email :reception@roche.tpacademytrust.org

We love sharing the success of our students.

Youth Football coming to Roche soon for the upcoming season in September. Training will start soon. Age groups to be confirmed. Please find and share on the Roche Youth AFC Facebook page.

Local Monitoring Committee

We are currently looking for people to join our Local Monitoring Committee (LMC), which used to be called Governors.

The LMC meets once each half term to discuss strategic and operational matters that influence how we lead all aspects of the school.

As well as attending meetings, LMC members may be involved in the appointment of new staff and the evaluation of aspects of the school through visits.

If this is an opportunity that interests you, please get in touch with me to

discuss things further: JWalden@roche.tpacademytrust.org
